### **Representative Coleman Appointed to House Select Committee on Statewide Health Care Costs**

AUSTIN – On Tuesday, December 10, 2019, Speaker Dennis Bonnen announced appointments to the House Select Committee on Statewide Health Care Costs. Representative Garnet Coleman (D-147) released the following statement:

*"I have been appointed to the House Select Committee on Statewide Health Care Costs by Speaker Bonnen. The Committee will examine primary drivers of increased health care costs in Texas, study opportunities to better coordinate how public dollars are spent on health care, and identify sustainable financial models that could reduce the cost of health care. I look forward to working with Chair of the Committee Greg Bonnen and Vice-Chair Senfronia Thompson.*

*Throughout my tenure in the Texas House, I have always prioritized health care and am grateful that Speaker Bonnen has designated a Committee to improve the lives of all Texans."*

Representative Coleman is available for comment.
